## INTRODUCTION

During the night, in a room of the royal palace of Castile, Queen Isabella and King Ferdinand sat on gilded chairs, facing each other. The expressions on their faces showed that both were in deep thought.

Trying to bring a smile to her face, the Queen said, “Why are you so worried. I don’t think that the tribute amount is such a big issue to cause you concern.”

## BODILY CONCERNS

The use of Mangekyo Sharingan poses great threat to users’ vision [1].
